Re: Sean Kelly
TO WHOM IT MAY CONCERN

These are the grades for postgraduate-level mathematics examination courses obtained by **Sean Kelly** while studying for the M.Sc. in High-Performance Computing at this College.

2007/08

472	Information theory	I
561	High Performance Computing	II.1
562	HPC Lab	I
563	Numerical methods	II.2
564A	Stochastic methods (part A)	II.1
564B	Stochastic methods (part B)	I
565B	Financial Applications	I
565B	HPC seminar series	II.1

Overall grade: Pass

Notes on classification:

The M.Sc. is graded **pass** or **fail** only.

Components are graded **I, II.1, II.2, III**:

I	First class	> 70%
II.1	Second class (first division)	60-70%
II.2	Second class (second division)	50-60%
III	Third class	40-50%
